

Affiliate Marketing Program

Randomskill Games

Mission

To redirect traffic from Randomskill Game's website to benefit all affiliate partners

How this works

Generates discount coupon
on your web store

Coupon code listed on
Randomskill's website

Users on Randomskill's
website re-directed
to spend on your web store

Increase sales

Advantage

- Discount will not be visible on your website, therefore perceived value of your products will not be reduced.
- This can help improve sales especially for inventory that is slow-moving
- Full control over what is on discount and what is not through the coupon settings, i.e exclusion for new launches
- Zero cost upfront and zero cost if no sale is made; Randomskill Games charges 5% of sales revenue from orders with coupon code applied
- High traceability
